§ 73-2-16. Disciplinary proceedings.

(1) The board shall also have the power to revoke, suspend or annul the certificate or registration of a landscape architect or reprimand, censure or otherwise discipline a landscape architect.

(2) The board, upon satisfactory proof and in accordance with the provisions of this chapter, may take the disciplinary actions against any registered landscape architect for any of the following reasons:

- (a) Violating any of the provisions of Sections 73-2-1 through 73-2-21 or the implementing bylaws, rules, regulations or standards of ethics or conduct duly adopted and promulgated by the board pertaining to the practice of landscape architecture;
- (b) Fraud, deceit or misrepresentation in obtaining a certificate of registration;
- (c) Gross negligence, malpractice, incompetency or misconduct in the practice of landscape architecture;
- (d) Any professional misconduct, as defined by the board through bylaws, rules and regulations and standards of conduct and ethics (professional misconduct shall not be defined to include bidding on contracts for a price);
- (e) Practicing or offering to practice landscape architecture on an expired license or while under suspension or revocation of a license unless said suspension or revocation be abated through probation;
- (f) Practicing landscape architecture under an assumed or fictitious name;
- (g) Being convicted by any court of a felony, except conviction of culpable negligent manslaughter, in which case the record of conviction shall be conclusive evidence;

- (i) Having undisclosed financial or personal interest which compromises his obligation to his client;
- (j) Obtaining a certificate by fraud or deceit; or
- (k) Violating any of the provisions of this chapter.

(3) Any person may prefer charges against any other person for committing any of the acts set forth in subsection (2). Such charges need not be sworn to, may be made upon actual knowledge, or upon information and belief, and shall be filed with the board. In the event any person licensed under Sections 73-2-1 through 73-2-21 is expelled from membership in any Mississippi or national professional landscape architectural society or association, the board shall thereafter cite said person to appear at a hearing before the board and to show cause why disciplinary action should not be taken against that person.

The board shall investigate all charges filed with it and, upon finding reasonable cause to believe that the charges are not frivolous, unfounded or filed in bad faith, may, in its discretion, cause a hearing to be held, at a time and place fixed by the board, regarding the charges and may compel the accused by subpoena to appear before the board to respond to said charges.

No disciplinary action taken hereunder may be taken until the accused has been furnished both a statement of the charges against him and notice of the time and place of the hearing thereof, which shall be personally served on the accused or mailed by registered or certified mail, return receipt requested, to the last known business or residence address of the accused not less than thirty (30) days prior to the date fixed for the hearing.

(4) At any hearing held under the provisions of this section, the board shall have the power to subpoena witnesses and compel their attendance and require the production of any books, papers or documents. The hearing shall be conducted before the full board with the president of the board serving as the presiding judge. Counsel for the board shall present all evidence relating to the charges. All evidence shall be presented under oath, which may be administered by any member of the board, and thereafter the proceedings may, if necessary, be transcribed in full by the court reporter and filed as part of the record in the case. Copies of such transcription may be provided to any party to the proceedings at a cost to be fixed by the board.

All witnesses who shall be subpoenaed and who shall appear in any proceedings before the board shall receive the same fees and mileage as allowed by law in judicial civil proceedings, and all such fees shall be taxed as part of the costs of the case.

Where in any proceedings before the board any witness shall fail or refuse to attend upon subpoena issued by the board, shall refuse to testify or shall refuse to produce any books and papers, the production of which is called for by the subpoena, the attendance of such witness and the giving of his testimony and the production of the books and papers shall be enforced by any court of competent jurisdiction of this state in the manner provided for the enforcement of attendance and testimony of witnesses in civil cases in the courts of this state.

The accused shall have the right to be present at the hearing in person, by counsel or other representative, or both. The accused shall have the right to present evidence and to examine and cross-examine all witnesses. The board is authorized to continue or recess the hearing as may be necessary.

(5) At the conclusion of the hearing, the board may either decide the issue at that time or take the case under advisement for further deliberation. The board shall render its decision not more than forty-five (45) days after the close of the hearing, and shall forward to the last known business or residence address of the accused by certified or registered mail, return receipt requested, a written statement of the decision of the board.

If a majority of the board finds the accused guilty of the charges filed, the board may: (a) issue a public or private reprimand; (b) suspend or revoke the license of the accused, if the accused is a registrant; or (c) in lieu of or in addition to such reprimand, suspension or revocation, assess and levy upon the guilty party a monetary penalty of not less than One Hundred Dollars (\$100.00) nor more than Five Thousand Dollars (\$5,000.00) for each violation.

(6) A monetary penalty assessed and levied under this section shall be paid to the board upon the expiration of the period allowed for appeal of such penalties under this section, or may be paid sooner if the guilty party elects. Money collected by the board under this section shall be deposited to the credit of the board's general operating fund.

When payment of a monetary penalty assessed and levied by the board in accordance with this section is not paid when due, the board shall have the power to institute and maintain proceedings in its name for enforcement of payment in the chancery court of the county and judicial district of the residence of the guilty party and if the guilty party be a nonresident of the State of Mississippi, such proceedings shall be in the Chancery Court of the First Judicial District of Hinds County, Mississippi.

(7) When the board has taken a disciplinary action under this section, the board may, in its discretion, stay such action and place the guilty party on probation for a period not to exceed one (1) year upon the condition that the guilty party shall not further violate either the law of the State of Mississippi pertaining to the practice of landscape architecture or the bylaws, rules and regulations, or standards of conduct and ethics promulgated by the board.

(8) The board, in its discretion, may assess and tax any part or all of the costs of any disciplinary proceedings conducted under this section against the accused, if the accused is found guilty of the charges.

(9) The power and authority of the board to assess and levy the monetary penalties provided for in this section shall not be affected or diminished by any other proceeding, civil or criminal, concerning the same violation or violations except as provided in this section.

(10) The board, for sufficient cause, may reissue a revoked license of registration whenever a majority of the board members vote to do so but in no event shall a revoked license be issued within two (2) years of the revocation. A new license of registration required to replace a revoked, lost, mutilated or destroyed license may be issued, subject to the rules of the board, for a charge not to exceed Twenty-five Dollars (\$25.00).

(11) The board may direct the advisory committee to review and investigate any charges brought against any landscape architect under this chapter and to hold the hearings provided for in this section and to make findings of fact and recommendations to the board concerning the disposition of such charges.

(12) Nothing herein contained shall preclude the board or advisory committee from initiating proceedings in any case. The advisory committee shall furnish legal advice and assistance to the board whenever such service is requested.

(13) In addition to the reasons specified in subsection (2) of this section, the board shall be authorized to suspend the license of any licensee for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a license for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a license suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a license suspended for that purpose, shall be governed by Section 93-11-157 or 93-11-163, as the case may be. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.
