The Mississippi State Board of Architecture, the Landscape Architecture Advisory Committee, and the Interior Design Advisory Committee recently adopted new and revised rules that were filed with the Mississippi Secretary of State on July 19, 2018. Please review the proposed rules, which will establish a code of conduct for Board and Committee members and simplify the calculation of late continuing education penalties for landscape architects and certified interior designers (see links above).

The Board and Committees invite your comments or questions regarding the proposed rules. Send them by email to jcothron@msboa.ms.gov (or by postal mail to the address below) by August 27, 2018.
