3.01 Records of the Board

All records of the Board which deal with applications, examinations, personal files and NCARB Certificates shall be kept confidential in view of the sensitive nature of the material contained herein.

Public records shall be made available, pursuant to the Mississippi Public Records Act, by written request, with the Board responding to requests within fourteen (14) working days. Appropriate administrative costs in relation to the processing of such requests will apply and will be due from the requesting party prior to delivery of any public records.
