(3) Any person may prefer charges against any other person for committing any of the acts set forth in this section. The charges, which need not be sworn to, may be made upon actual knowledge, or upon information and belief, and must be filed with the board. If any person certified under this chapter is expelled from membership in any Mississippi or national professional interior design society or association, the board and IDAC shall thereafter cite such person to appear at a hearing before the board and IDAC to show cause why disciplinary action should not be taken against that person.

The board and IDAC shall investigate all charges filed with it and, upon finding reasonable cause to believe that the charges are not frivolous, unfounded or filed in bad faith, may cause, in its discretion, a hearing to be held at a time and place fixed by the board regarding the charges. The board may compel, by subpoena, the accused to appear before the board to respond to the charges.

No disciplinary action may be taken until the accused has been furnished with both a statement of the charges against him and notice of the time and place of the hearing on those charges, which must be served personally on the accused or mailed by registered or certified mail, return receipt requested, to the last known business or residence address of the accused not less than thirty (30) days before the date fixed for the hearing.

(4) At a hearing held under this section, the board may subpoena witnesses and compel their attendance and require the production of any books, papers or documents. The hearing must be conducted before the full board and IDAC with the president of the board serving as the presiding officer. Counsel for the board shall present all evidence relating to the charges. All evidence must be presented under oath, which may be administered by any member of the board. The proceedings, if necessary, may be transcribed in full by a court reporter and filed as part of the record in the case. Copies of the transcription may be provided to any party to the proceedings at a cost to be fixed by the board.

All witnesses who are subpoenaed and who appear in any proceeding before the board shall receive the same fee and mileage as allowed by law in judicial civil proceedings, and all such fees shall be taxed as part of the costs of the case.

In any proceedings before the board in which any witness fails or refuses to attend upon a subpoena issued by the board or refuses to testify or to produce any books and papers, the production of which is called for by the subpoena, the attendance of the witness and the giving of

his testimony and the production of the books and papers shall be enforced by any court of competent jurisdiction of this state in the manner provided for the enforcement of attendance and testimony of witnesses in civil cases in the courts of this state.

The accused shall have the right to be present at the hearing in person, by counsel or other representative, or both. The accused shall have the right to present evidence and to examine and cross-examine all witnesses. The board may continue or recess the hearing as may be necessary.

(5) At the conclusion of the hearing, the board may either decide the issue at the time or take the case under advisement for further deliberation. The board must render its decision not more than forty-five (45) days after the close of the hearing and shall forward to the last known business or residence address of the accused by certified or registered mail, return receipt requested, a written statement of the decision of the board.

If a majority of the board finds the accused guilty of the charges filed, the board may:

- (a) Issue a public or private reprimand;
- (b) Suspend or revoke the certificate of the accused, if the accused is a Mississippi Certified Interior Designer; or
- (c) In lieu of or in addition to such reprimand, suspension or revocation, assess and levy upon the guilty party a monetary penalty of not less than One Hundred Dollars (\$ 100.00) nor more than Five Thousand Dollars (\$ 5,000.00) for each violation.

(6) A monetary penalty assessed and levied under this section must be paid to the board within thirty (30) days. Money collected by the board under this section and all fines shall be deposited into the account of the board.

When payment of a monetary penalty assessed and levied by the board under this section is not paid when due, the board may institute and maintain proceedings in its name for enforcement of payment in the chancery court of the county of the residence of the guilty party. If the guilty party is a nonresident of the State of Mississippi, the proceedings must be instituted in the Chancery Court of the First Judicial District of Hinds County, Mississippi.

(7) When the board has taken a disciplinary action under this section, the board, in its discretion, may stay the action and place the guilty party on probation for a period not to exceed one (1) year, upon the condition that the guilty party shall not further violate either the law of the State of Mississippi pertaining to the use of the term Mississippi Certified Interior Designer or the rules and regulations or standards of conduct and ethics promulgated by IDAC and the board.

(8) The board, in its discretion, may assess and tax any part of all costs of any disciplinary proceedings conducted under this section against the accused if the accused is found guilty of the charges.

(9) The power and authority of the board to assess and levy the monetary penalties provided for in this section shall not be affected or diminished by any other proceedings, civil or criminal, concerning the same violation or violations except as provided in this section.

(10) The board, on the recommendation of IDAC, for sufficient cause, may reissue a revoked certificate by an affirmative vote of a majority of the board members; however, a revoked certificate may not be issued within two (2) years of the revocation under any circumstances. A new certificate required to replace a revoked certificate may be issued, subject to the rules of the board, for a charge established by the rules and regulations set forth by IDAC.

(11) In addition to the reasons specified in this section, the board may suspend the certificate of any person for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a certificate for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a certificate suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a certificate suspended for that purpose, shall be governed by Section 93-11-157 or 93-11-163, as the case may be. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

The board, for reasons it may deem sufficient, may reissue a certificate to any person whose certificate has been suspended or revoked if three (3) or more members of the board vote in favor of the reissuance. The procedure for the reissuance of a certificate that is suspended for being out of compliance with an order for support, as defined in Section 93-11-153, shall be governed by Section 93-11-157 or 93-11-163, as the case may be.

Notice of appeal shall be filed in the office of the clerk of the chancery court, who shall issue a writ of certiorari directed to the board commanding it, within ten (10) days after service, to certify to the court its entire record in the matter in which the appeal has been taken.

The appeal shall be heard in due course by the court, and the court shall review the record and make its determination of the cause between the parties.

Any order, judgment or decision of the board shall not take effect until after the time for appeal to the court shall have expired. All appeals perfected under this section shall act as a supersedeas of the order, judgment or action appealed from.
